<p>Exterior: A sidewalk cafe in a major American city. Ted, a slightly haggard but good looking young man (late 20s) sits at a table, a faraway look in his eye.</p> <p>Flashback: What looks like a small college. We see a series of quick scenes.</p> <p>Scene 1: Ted, looking very put together, pulls into a parking lot that appears to be right behind a dormitory. A trio of guys go shambling by. One guy (Nate, good looking but scruffy) breaks away from the other 3 and approaches Ted's car.</p> <p>Scene 2: A college party. Ted is surrounded by a few admiring young women. Cut to Nate at the keg, discovering it's tapped out. He interrupts Ted and the young women.</p> <p>Scene 3: Ted, Nate, and a few other guys are eating in the dining hall. Nate holds up some disgusting looking noodles with his fork, looks at Ted with that charming smile.</p> <p>Flashback ends, Ted is still sitting at the table, looks at his watch. A beer and a plate of pasta salad before him - he's got some noodles on his fork (smooth visual transition). Suddenly, a nice car pulls up, Nate gets out of the back, looking way more dapper than he did in college. Ted looks surprised.</p> <p>Quick montage of Ted and Nate catching up. We cut into mid-conversation.</p> <p>Nate: Pulls out smartphone and opens Uber app, requests a ride. In a beat, a nice car pulls up, driver gets out and opens back door for him.</p>	<p>Nate: "Ted....duuude. Donut run! Whaddya say?"</p> <p>Ted: Uhhhhh....don't you have a car?"</p> <p>Nate, flashing a devilishly charming smile: "Nahhh..."</p> <p>Nate: "Ted...duuuude. Beer run! Whaddya say?"</p> <p>Ted, as the women around him look annoyed: "Uhhhh....can you get anyone else?"</p> <p>Nate, with that charming smile: "Nahhhh...."</p> <p>Nate: "Duuuude....you know there's a new pizza place downtown and...."</p> <p>Ted: "Uhhhh....."</p> <p>Ted: "Nate!....."</p> <p>Nate: flashes that charming smile.</p> <p>Ted: "So, yeah, between rent, car payments, I feel kind of drained. How about you?"</p> <p>Nate: "Well, I'm living pretty light these days."</p> <p>Ted: (sardonic smile) "I bet. So do you need a ride then?"</p> <p>Nate: "Nahhhhhh. Check this out. It's Uber. You just open the app, tap to request a ride and...wow, they're here already. I'll see you tonight, though, right?" Flashes that smile again, hops up, gets in the car and speeds off.</p>

After Nate leaves, camera lingers on Ted who looks on in a kind of wonderment.
